

Take Charge Officiating

July 11-13 SLU Team Camp-Canton, NY

About The Camp

We are proud to offer the first camp of its kind in Northern NY. The level of instruction at this camp will be second to none. We will raise your level of officiating and challenge each one of you to be the best you can be. We are also fortunate to have College and High School assignors at this camp. You will have the opportunity to display your officiating abilities in front of these assignors. With video/audio training being used, and our ability to keep the cost down while still including meals and housing, we are convinced that this is an opportunity you will not be able to pass by.

Video/Audio Training and Communication

Video will be recorded on the main court with a breakdown of film immediately following the game. This will include in depth discussion on positioning, play calling and how to properly breakdown film. There will be enhanced radio communications on the main court with walkie talkies used amongst officials and observer throughout the entire game. Each referee will wear an earpiece that has communication capabilities with the observer on the floor.
